

# Pet Keeper

## Cub badge

1. Own a pet and look after it correctly for three months
2. In an exercise book keep a record of the following:
  - 2.1. What you feed your pet and how often
  - 2.2. When you clean out its cage, house, run, tank etc.
  - 2.3. Where you get the food from that you feed your pet.
  - 2.4. How you ensure your pet does not get out or lost while you are cleaning its home.
3. Research and write down the signs and symptoms you would look for so you will know if your pet gets sick.
4. What special care is needed when your pet has just been born or has young of its own.
5. What is the natural habitat for your pet if it lives in the wild, or once did many years ago.
